

Privacy Policy

TwoRiversCorp.com Privacy Policy

Two Rivers, Corp. collects email addresses of people who send us email. We also collect information on what pages users access and information provided to us by users via surveys and site registrations. Such information may contain personal data about you including your address, phone numbers, credit card numbers, etc. We are not allowed to disclose such personal information without your written permission. However, certain information collected from you and about you is used within the context of providing the Service. The information we collect is not shared with or sold to others except under the certain circumstances and which your use of the Service is deemed to provide to us a valid consent to disclose the following:

In order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of Two Rivers, Corp.'s terms of use, or as otherwise required by law.

Two Rivers, Corp. does not rent, sell, or share personal information about you with other companies except to provide products or services you've requested or when we have your permission.

We will transfer information about you if Two Rivers, Corp. or Two Rivers, Corp. is acquired by or merged with another company. In this event, Two Rivers, Corp. will notify you by email or by putting a prominent notice on the Two Rivers, Corp. web site before information about you is transferred and becomes subject to a different privacy policy.

What we do with your information

When you register for Two Rivers, Corp. we ask for your name, and email address. Two Rivers, Corp. uses the information we collect for the following general purposes: products and services provision, billing, identification and authentication, services improvement, contact, and research.

Security

The security of your personal information is important to us. When you enter sensitive information, such as name and email on our registration form, we encrypt that information using secure socket layer technology (SSL). We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it. No method of transmission over the Internet, or method of electronic storage, is 100% secure, however. Therefore, while we strive to use commercially acceptable means to protect your personal information, we cannot guarantee its absolute security.

Two Rivers, Corp. transactions and operations are PCI compliant. Two Rivers, Corp. works only with payment gateways and vendors that are 100% PCI compliant.

To protect Personally Identifiable Information (PII), we use Standard 128 bit SSL Encryption to protect the data stream between the user's browser and our servers. Storage of PII data is further encrypted using a combination of hashing, encryption, and data scrambling. The data network is secured and monitored 24 hours a day, 7 days a week.

Disclosure

Two Rivers, Corp. may disclose personally identifiable information only under special circumstances, such as to comply with court orders requiring us to do so or when your actions violate the Terms of Service.

Client Data Storage

Two Rivers, Corp. owns the data storage, databases and all rights to the Two Rivers, Corp. application however we make no claim to the rights of your data. You retain all rights to your data and we will never contact your clients directly, or use your data for our own business advantage or to compete with you or market to your clients.

Cookies

A cookie is a small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site's computers and stored on your computer's hard drive.

Two Rivers, Corp. uses cookies to record current session keys only. Private and sensitive information is never stored in these session cookies and they generally last two weeks. You are required to login to your Two Rivers, Corp. site after a certain period of time has elapsed to protect you against others accidentally accessing the content of your account.

Changes to this privacy policy

We reserve the right to modify this privacy statement at any time, so please review it frequently. If we make material changes to this policy, we will notify you here or by means of a notice on the Two Rivers, Corp. homepage or your Two Rivers, Corp. account page so that you are aware of what information we collect, how we use it, and under what circumstances, if any, we disclose it.
